

Manual of Operations

Title: Board Performance Monitoring	Number: MO-02-03
Source: WGHA Board	
Approved By: WGHA Board	Date Approved: March 2016 Date Last Reviewed: February 2024

The WGHA Board is committed to complying with and demonstrating good governance and operational practices and standards.

The WGHA Board utilizes a number of tools to monitor and measure performance. The monitoring mechanisms are designed to ensure timely reporting, opportunity for improvement and appropriate follow-up.

The Appendices of this Manual of Operations contain examples of tools utilized by the Board to monitor and improve the way in which the Board and its Committees carry out their responsibilities.
