Registration Fees

All WGHA players will pay a registration fee. The fee will be determined by the Finance Committee and approved upon by the board of directors ahead of the upcoming season and communicated on WGHA's website and RAMP.

Representative Fees

Representative (rep) fees and High Performance Team Program (HPTP) fees are additional fees charged to players who are selected to play on a rep team. These fees are in addition to registration fees due to the increased level of competition and resources required for rep teams.

Refunds

Tryout Fees: There will be no refunds given for tryout fees unless the tryout is cancelled for reasons beyond the control of WGHA.

Camps: There will be no refunds given for camp fees unless the camp is cancelled for reasons beyond the control of WGHA.

Base Registration: If a player completes the registration process, including payment, and decides not to play hockey prior to the season or program starting, there will be a refund less an administration fee. If the season has already started and the player has been on the ice with their team for a game or a practice (even once), then the refund will be prorated less any OWHA fees and an administration fee.

Additional Team Fees: Additional fees (such as Rep fees, HPTP fees and Team fees, if applicable) may be eligible for a prorated refund, if any, and are taken into consideration on a case by case basis.

Programs (e.g. Learn to Skate, Goalie Training): Refunds for programs are as follows; If a registrant has attended up to 2 sessions, they will receive a 50% refund. There will be NO refunds after this. For example, if a registrant attends 3 sessions out of an 8 session program, they will receive no refund.

No refunds will be issued after December 31.
