Waterloo Girls Hockey Association (WGHA) Registration Fees are coupled with residency inside or outside the City of Waterloo and do not necessarily change based on Import or Non-Import status change.

Non-Import Players who have **only played** in the WGHA and then move their primary address out of the City of Waterloo will be allowed to continue to play in the Ravens organization as Non-Imports provided they do not register with any other OWHA association and remain designated as Non-Import Players.

- **Players will be** expected to pay an additional “out of town” registration fee if they are no longer residing in the City of Waterloo.

Import Players who move their primary address into the City of Waterloo will be allowed to apply to the WGHA Board to be classified by the WGHA as Non-import provided they do not register with any other OWHA association. Proof of address may be requested.

- **Players will no longer be** expected to pay “out of town” additional registration fees if they are now a resident in the City of Waterloo.
