

## Arena COVID-19 Protocols

### Columbia Ice Fields

As of September 28, 2021

University of Waterloo's policy on all visitors to indoor spaces being on a path to fully vaccinated by October 17<sup>th</sup> ([Vaccination requirement | COVID-19 Information | University of Waterloo \(uwaterloo.ca\)](#)).

**All coaches/adults and anyone over the age of 18 will have to show:**

- Attestation of Health through [checkin.uwaterloo.ca](http://checkin.uwaterloo.ca)
- Government ID showing same name as Vaccination
- Proof of Vaccination (unmodified) or Appropriate exemption paperwork as per Ontario gov't.

**All of the participants (12 to 17) have the following conditions apply:**

- One-time waiver signed off acknowledging the risk of getting covid on campus
- Proof of at least one dose (unmodified) with validation from a Ravens rep on the person's name (so no ID required) until October 17<sup>th</sup> where it must be both doses
- Group attestation of health led by the coach or a Ravens rep outside and the group is walked in collectively
- Roster of attendees then provided to arena staff
- Changerooms are restricted to 15 mins at a time, must align with appropriate occupancy limits with no use of showers.
- Masks continue to be required at all times until on the playing surface.

**All of the participants (under 12) have the following conditions apply:**

- One-time waiver signed off acknowledging the risk of getting covid on campus
- Group attestation of health led by the coach or a Ravens rep outside and the group is walked in collectively
- Roster of attendees then provided to arena staff
- Changerooms are restricted to 15 mins at a time, must align with appropriate occupancy limits with no use of showers.
- Masks continue to be required at all times until on the playing surface.

This is required for each and every time they attend the property. Masks and distancing required at all times for spectators who are allowed as long as they maintain distancing.
