

Attention Waterloo Memorial Recreation Complex Patrons

Starting Friday November 5, 2021 the entrance to the WMRC arena and track will move to the newly constructed south east side of the facility. For those who have been using the facility, the west entrance will be an exit only. Those that are returning to the WMRC for the first time this season, welcome back. We are working to ensure smooth operations as we still balance construction. This will be the temporary entrance until the front entrance is ready. Please see the map below for parking, entrance and flow through the facility.

You will meet security staff at this door who will check for proof of vaccination ~~and complete the screening form with contact information.~~ For updates and further information please visit

<https://www.waterloo.ca/en/things-to-do/waterloo-memorial-recreation-complex.aspx> or call 519 886 1177 and press 0.
